<p style="text-align: center;"><b>PEEK-A-BOO, I LOVE YOU!</b> 45 minute class with caregiver</p> <p><i>Kindermusik Adventures</i> provides a delightful environment unlike any other. Through a unique blend of multi-level activities that includes creative movement, vocal play, object and instrument exploration, and a colorful literature component, your baby's growth and development are stimulated and all of his/her senses engaged.</p> <p>More than just a curious story, Mother Goose games like peek-a-boo help your baby understand language. So in this special camp, uncover more ways to say "I love you" using American Sign Language, soap bubbles, colorful humongous scarves, and parent-baby dances. Plus, you can meet with other newborns and families in the community and learn how music improves the child development process. High quality, professionally created class and <i>At Home Materials</i> include <i>Kindermusik Foundations of Learning</i>, insights based on current research that educate parents about their babies' unique development. <b><u>At Home Materials include:</u></b> Book, CD, Duck Wash Mitt, Baby Duck Gertie Ball, and Poster.</p>	<p style="text-align: center;"><b>SESSION A (Beginner)</b> 45 minute class with caregiver</p> <p><i>Kindermusik Sign &amp; Sing</i> is a research-proven program based on methods shown to speed language development in hearing children, ease frustration, and enhance long-term learning abilities.</p> <p>This class combines songs and playful interaction to help children learn American Sign Language.</p> <p>The five-session class gives parents the tools to learn more than 50 American Sign Language signs for children ages 3 months to 3 years.</p> <p>At Home Materials include a set of clip-on flashcards, a booklet of activities for parents and their children to learn and play with at home, and a DVD glossary that features adults using sign language.</p>	<p style="text-align: center;"><b>CREATURES AT THE OCEAN MUSIC AND MOVEMENT</b> 45 minute class with caregiver Bring one or more children to this class!</p> <p>Inspire your child's love of learning in only five lessons. In a Kindermusik summer camp, blow music bubbles. Play parachute and kite games. Sing. All these summer camp activities—the music, stories, and crafts—are designed to nurture your children's natural curiosity, one that eventually draws them toward learning new words, new numbers, and new big ideas.</p> <p>In <i>Creatures at the Ocean</i>, sing sailor songs and make the ocean count. "Five little seashells lying on the shore: Swish! Went the waves and then there were four."</p> <p>Listening is a learned skill, one that develops when you draw attention to sound. "What was that? Did you hear that?" Immersing your child in the sound, while making the sound and the movement, internalizes the listening and the learning, and improves his ability to learn new things.</p> <p><b>WEEKLY THEMES:</b> Week 1 Ahoy There Week 2 On My Beach Blanket Week 3 Coastal Waters Week 4 Riding the Waves Week 5 In the Deep Blue Sea</p> <p><i>At Home Materials</i> include: Five full-color picture folders, each depicting a different theme, Story Cards, Home CD, and a pair of Seashell Castanets. During each class your child will create TWO unique art projects to bring home. All projects are age appropriate, and materials are non-toxic.</p> <p><b>The following themes were created to compliment the music class, <i>Creatures at the Ocean</i> offered back to back with this class (with the exception of Saturdays).</b></p> <p>Week 1 Ahoy There Week 2 On My Beach Blanket Week 3 Coastal Waters Week 4 Riding the Waves Week 5 In the Deep Blue Sea</p> <p>Class fees include tuition, all art materials and a weekly snack.</p>
