Through a unique blend of multi-level activities that includes creative movement, vocal play, object and instrument exploration, and a colorful literature component, your baby's growth and development are stimulated and all of his/her senses engaged.</p> <p>More than just a curious story, Mother Goose games like peek-a-boo help your baby understand language. So in this special camp, uncover more ways to say "I love you" using American Sign Language, soap bubbles, colorful humongous scarves, and parent-baby dances. Plus, you can meet with other newborns and families in the community and learn how music improves the child development process. High quality, professionally created class and <i>At Home Materials</i> include <i>Kindermusik Foundations of Learning</i>, insights based on current research that educate parents about their babies' unique development. With older children ready to show the little ones how it's done and the younger ones eager to learn, <i>Family Adventures</i> becomes a multi-layered learning environment. Each week, a Kindermusik Educator will introduce basic musical concepts and then give you the instruments, and the structured free time to put those concepts into play.</p> <p>In <i>Confetti Days</i>, throw a new party every day. Ride a carousel inside the classroom. Play a balancing game and walk on the web of ropes. Do a musical move and freeze. Learn colors and sing the Spanish song "De Colores," "Pop, Goes the Weasel," and "Looby Loo."</p> <p>Home Materials: Home CD, pair of confetti bell instruments, story kit, and a set of 5 picture folders.</p>	<p style="text-align: center;">CONFETTI DAYS ART AND BOOK TIME 45 minute class With caregiver Bring one or more children to this class!</p> <p>Each week you and your child will explore a different theme through stories and art!
