

School Year Subscription Monthly Enrollment Option for Kindermusik Classes Foundations, Level 1, 2, 3 and Mixed Age

Enroll one time for the entire school year (September– May) for an automated monthly payment of \$68 which includes 30 primary classes plus weekly secondary class opportunities for the entire school year (and all curriculum changes and Kindermusik materials within).

How it works:

Classes run September– May for a total of 30 weeks per school year. The space you choose (day, time, location) is yours through our 30 week school year (calendar at growandsing.com/calendar) unless you contact us to change your class choice. This is your primary class. Subscribers can change their primary class, or level up to a new class at any time if decided between parent and teacher/directors. This ensures you have your space for the entire school year and it can't be taken from you as your child grows. You will not have to re-enroll in the Spring when non-subscribers do, since you are already enrolled! You will need to register for Summer classes separately. To change or level up mid year, please consult with your educator or email the Grow and Sing office at info@growandsing.com.

If want to change classes, or move up a level, we'll first check if there is space available in your new class choice. If there is, a simple switch can be made. If chosen class is full, you'll jump ahead of any non-subscriber on the wait list.

School Year Subscription is **NOT A CONTRACT**, and you can opt out at any time by notifying us by email prior to the 1st of the upcoming month. Once a payment is processed for that month, it is non-refundable (unless other arrangements have been made). Cancellation for future months will then go into effect. A verbal cancellation is not valid. This must be done in writing/email. (email info@growandsing.com)

What if I'm joining after the school year has started?

You can subscribe at any time throughout the school year pending availability, and are guaranteed your class space through May 8th. Subscribers entering after September will only be charged for remaining weeks/months in the school year.

Other amazing benefits to subscribing:

- **Weekly secondary class!** You can attend a second age appropriate class each week at any location. To attend a secondary class, you must reserve your space by signing up at the link provided to paid subscribers. This must be done weekly as we move through the school year. Secondary spaces are first come first serve each week. Each child can attend a total of TWO classes per week – 1 primary class PLUS 1 secondary OR makeup class. To take advantage of our secondary class perk or makeup class, you must be enrolled in a primary class at that time.
- 20% off any birthday party package (non-subscribers receive 15%)
- No service charges for monthly payments
- Invitation to Annual Holiday Party and Annual Easter Egg Hunt.
