Orlando, FL – Grow and Sing Studios has been named a Conductor Level Maestro by Kindermusik International, the world's leading publisher of music and movement programs. They have been placed in the top 1% and are currently ranked #25 out of over 5000 programs around the world.

Holly Lesnick, owner/director is an early childhood specialist at Grow and Sing Studios. Lesnick, along with her staff of several Licensed Kindermusik Educators, teaches Kindermusik in ten locations around Central Florida. The Conductor Level Maestro award recognizes excellence in a fast growing program with the goal to bring music to as many children as possible.

"The Kindermusik Maestro has a mission: helping children become better learners and helping parents understand how to help them reach their highest potential," said Michael Dougherty, CEO at Kindermusik International.

Grow and Sing Studios joins the elite company of the 50 top 1% world Maestros identified as the top Educators of the over 5,000 licensed educators in the world who teach Kindermusik's music and movement curricula. Holly Lesnick began providing Kindermusik 10 years ago, and opened her own studio Grow and Sing Studios in June, 2005. Today Grow and Sing Studios teaches the learning program to over 400 families, along with many special events and birthday parties.

In the last year, the Grow and Sing Team has reached more and more families by offering a variety of class options, along with flexibility in payment. More and more locations are offered each year as well, to reach families who may not have had the opportunity in the past. Four more locations are set to open this year.

"Music is my passion. Family is my other one. This award means so much because it brings these two passions together in one magical classroom. I know Grow and Sing Studios is living its' mission of Connecting Families through the Magic of Music", said Lesnick.

The Maestro Program recognizes licensed Kindermusik educators who master one of three levels in early childhood development: fast-growing programs, outstanding community service, and teaching excellence.

###

Kindermusik International is the world's leading publisher of music and movement curricula for parents and their children, newborn to 7 years old. More than 5,000 licensed educators use the Kindermusik curricula in more than 63 countries, reaching more than 1 million families. The award-winning books, CDs, games, and instruments are based on more than 30 years of experience creating curricula based on new and proven research in child development, designed to nurture skills in the whole child: cognitive, physical, social, emotional, language and musical.
