

School Year Subscription Monthly Enrollment Option for Core Classes  
Village, Our Time, Imagine That, Young Child and Family Time A, B, C combo

Enroll one time for the entire school year (September– May) for an automated monthly payment of \$60 which includes 30 classes for the entire school year (and all curriculum changes and materials within). \$50 per month for family time classes.

How it works:

Classes run August/September through May for a total of 30 classes/weeks per school year. This space (day, time, location) is yours through May unless you call us to change your class choice. At the time of Spring enrollment (launched in November), you will have the first opportunity on class choice before non-subscribers. Subscribers can change classes, or graduate up to a new class before non-subscribers. This ensures you have your space for the entire school year and it can't be taken from you. You will not have to re-enroll in the Spring, since you are already enrolled!

If at any time during your subscription, you want to change classes, or move up a level, we'll check if there is space available in your new class choice. If there is, a simple switch can be made. If not, you'll be ahead of anyone on the wait list that isn't a subscriber.

This is not a contract, and you can opt out at any time by notifying us prior to the 1<sup>st</sup> of the upcoming month. Once a payment is processed for that month, it is non-refundable (unless other arrangements have been made). Cancellation for future months will then go into effect.

You can subscribe at any time throughout the school year, and are guaranteed your class space through May and only charged for remaining months in the school year.

Other amazing benefits to subscribing:

- No service charges for monthly payments
- Unlimited makeup classes (and you can do this anytime through the school year)
- 20% off any birthday party package (non-subscribers receive 15%)
- 2 free Kindermusik Playdate events per school year to enjoy. (we have special themed ones throughout the year like our Holiday and Valentines playdates)

A la carte class options

We also offer other fun "shorter" classes. You can opt into these as well for their flat rate which can be paid in our regular session way. If you add on one of these to your subscription classes, you receive a dual enroll discount of \$25 off. These are:

- Music for Aardvarks with Mr. Richard (6 or 12 weeks)
- Art & Book Time (5 weeks monthly)
- Family Time (5 or 10 weeks)
