School Year Subscription Monthly Enrollment Option for Core Classes
Village, Our Time, Imagine That, Young Child and Family Time A, B, C combo

Enroll one time for the entire school year (September 2016– May 2017) for an automated monthly payment of \$65 which includes 30 classes plus perks for the entire school year (and all curriculum changes and materials within). \$55 per month for family time classes.

How it works:

Classes run September through May for a total of 30 classes/weeks per school year. The space you choose (day, time, location) is yours through May unless you call us to change your class choice. Subscribers can change classes, or graduate up to a new class at any time if decided between parent and teacher/directors. This ensures you have your space for the entire school year and it can't be taken from you as your child grows. You will not have to re-enroll in the Spring when non-subscribers do, since you are already enrolled! You will need to register for Summer classes separately. To change or graduate mid year, please consult with your educator or Holly Lesnick, Director (holly@growandsing.com).

If want to change classes, or move up a level, we'll first check if there is space available in your new class choice. If there is, a simple switch can be made. If chosen class is full, you'll jump ahead of any non-subscriber on the wait list.

School Year Subscription is **NOT A CONTRACT**, and you can opt out at any time by notifying us by email or in writing prior to the 1st of the upcoming month. Once a payment is processed for that month, it is non-refundable (unless other arrangements have been made). Cancellation for future months will then go into effect. A verbal cancellation is not valid. This must be done in writing/email. (email info@growandsing.com)

What if I'm joining after the school year has started?

You can subscribe at any time throughout the school year pending availability, and are guaranteed your class space through May. Subscribers entering after September will only be charged for remaining weeks/months in the school year.

Other amazing benefits to subscribing:

- No service charges for monthly payments (non subscribers who make payments pay a fee)
- Unlimited makeup classes anytime through the school year (non subscribers must get makeups in during their semester only)
- 20% off any birthday party package (non-subscribers receive 15%)
- 1 free Kindermusik Playdate event per Fall (Sept – Dec) and 1 free Kindermusik Playdate event per Spring (Jan – May) to enjoy. We have special themed ones throughout the year like our Holiday and Valentines playdates. (Non subscribers pay \$15 for any additional themed classes they wish to attend.)
- Open play opportunities, free holiday family photos, and Easter Egg Hunt.

A la carte class options

We also offer other fun "shorter" classes. You can opt into these as well for their flat rate which can be paid in our regular session way. If you add on one of these to your subscription classes, you receive a dual enrollment discount of \$25 off. These are:

- Music for Aardvarks with Mr. Richard
- Family Time

\$65 per month
\$55 per month for Family Time

How to subscribe. It's easy!

- Register online for a Sept.- May class, and select school year subscription in the payment options.
- As always select a class that you'll attend.
- 8 convenient payments: First payment will be charged at time of sign up. Further payments will be charged on the first of each month – October, November, December, January, February, March and April. **No charge for classes held in May.**
- This option is only payable by credit card, so payments can be processed easily.

Multiple class monthly subscription pricing

If you are enrolling more than 1 child, or for more than one core class you'll receive a dual enroll discount. Here are the fees per month!

- 2 children or 2 classes: \$124 per month
If you are enrolling 2 children for the same class, an additional discount is available.
- 3 or more children/classes: please contact us.
